

HOW TO MEASURE

Measurements provided by the customer will be used as a guideline only in order to provide a estimated cost. Our Executive specialist will work with you during all phases of application design through installation. The Executive Power Screen is a custom ordered product and your specialist will obtain the measurements during the site evaluation.

	<u>Height</u>	<u>Width</u>
Minimum	up to 36" (3')	48" (4')
Maximum	192" (16')	288" (24')

(H) _____ X (W) _____
